

BAG BUSINESS NOTEBOOK 17"

The Business Line Notebook 17" was designed for those who travel frequently with their notebook and need a bag with plenty of pockets and compartments, without compromising the style. It has five pockets with the main compartment for laptops up to 17", two pockets for documents and two for CDs. The lining offers all the protection you need. On the front part there is a pocket that allows you to store every kind of object (cellular phone, stationery...). There is a pocket for CDs, two slots for pens. On the rear side there is a pocket for documents with zip closure. All zip closures are self-repairable.
